DEPARTMENT OF PSYCHIATRY
Have you been depressed?
Are you now feeling OK?
If you: - are female and between 18 and 65
- have been depressed in the past but have been recovered for the last 6 months
- are not taking medication other than the Pill
- are a native English speaker,

then you could be eligible to participate in research on the effects of a neurotransmitter, serotonin, on memory and other cognitive processes.
The study involves two visits to the Warneford Hospital, one of about 2 hrs and one of about 7 hrs. Participants are reimbursed for their time and expenses.
