Detica Careers Presentation

Detica is a key recruiter of talented graduates and postgraduates, principally from numerate disciplines.

We are an independent IT services company, employing c400 staff, that delivers consulting and system implementation services to the Customer Management and Security markets.

We would like to invite you to our careers presentation where you can find out more about the challenging work we do and a number of our consultants will be on hand to talk to you informally.

A senior, speaker from Detica will also present on one of the key issues facing our clients today:

"Spotting the wolf in sheep's clothing"

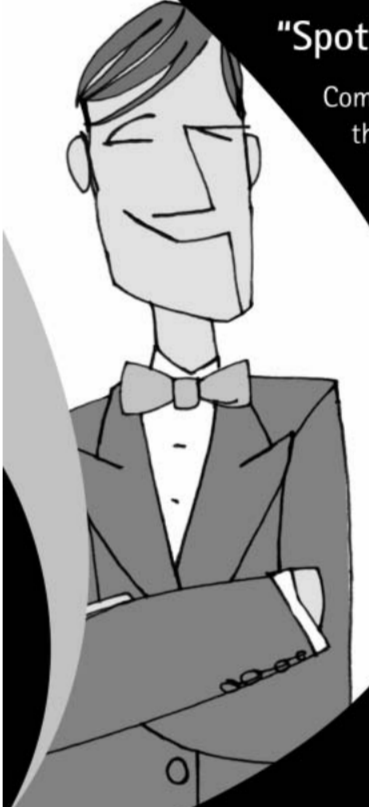

Companies are now realising that a significant fraud threat comes from management and employees on the inside.

We describe how Detica's consultants apply innovative thinking and leading edge technology to help clients get to grips with the "wolves in sheep's clothing" who are at large in every organisation.

Monday 3rd November at 7.30pm

The Linbury Building,
Worcester College, Oxford
Hot buffet and drinks provided
