Journals Management Accountant (Part-Qualified)
 Are you part qualified in CIMA or ACCA or equivalently experienced? If so, we have 2 exciting opportunities at our Oxford office, one commencing in September for 10 months and one commencing in November for 7 months.
 The role will provide, as part of a team, an effective accounting and reporting service for the Journals publishing divisions and Corporate Finance.
 As part of the UK Finance team, the role holder will prepare and analyse financial data. This function requires Management accounts experience in the work place, including the preparation and analysis of profit and loss and balance sheet account information. Experience using a recognised General Ledger system is required as is high competency in Microsoft Office, and in particular Excel. The Management Accountant will be familiar with large volume data manipulation, look-ups, data presentation, and pivot tables. Experience in publishing is desired, but not essential.
 For more information and to apply online please see our careers page at www.wiley.com
Closing date: 12 September 2012

S-Map Spectra-Map Ltd
Chemistry graduate wanted
 For P/T work with geological consultancy. The company provides mineral analysis services to the mining and oil industries using infrared spectroscopy.
 Duties include sampling, maintaining equipment and data analysis. Initially 2 days per week, future possibility of more hours and overseas travel leading to a permanent position. Successful applicant must have use of a car and be flexible about availability.
 Please send your CV and covering letter to: enquiries@spectra-map.co.uk

Roofing Maintenance Operative
 Must be skilled in various types of roofing. Must hold a full clean driving license and be willing to travel across the UK, including some overnight stays when required. Must be computer literate, with good communication skills.
 Your own tools and equipment would be an advantage, as would any previous experience, or relevant health and safety training.
 Duties will include carrying out temporary and permanent roofing repairs for small and larger works, working as part of a two person team, surveying and identifying further works if required, completing all relevant paperwork, including before and after photos, and related tasks as required.
 You will be driving a MEWP vehicle for high level access, supplied by the company, tools and equipment is an advantage. Work will be ideally in and around the Oxford area. You must live in an Oxford postcode for this position.
IMMEDIATE START.
3cqe@users.dailyinfo.co.uk
