THE CAMDEN SOCIETY

## Project Workers

**Oxford**
**£15,860 - £18,827 per annum (pro rata)**
**Full Time (37 hrs) & Part Time (up to 20 hrs)**

## Project Workers (Bank)

**Oxford**
**£7 - £8 p/h (plus enhancements)**

The Camden Society provides a range of innovative and modern services enabling people with learning disabilities to live full and satisfying lives. We require permanent and bank project workers to join our Supported Living teams in Oxford, in particular.

You must have experience of working with people with learning disabilities or other vulnerable people in a community setting (paid or voluntary). The ideal candidates will be highly person-centered, enthusiastic, motivated and committed in their approach to working with vulnerable people. You will also have excellent communication and team working skills.

All posts include Monday - Sunday shifts and occasional sleepovers and waking nights. The part time and bank posts provide an ideal opportunity for flexible working for someone seeking to fit work around their other job or at weekends/evenings. We also offer a generous holiday allowance, childcare vouchers, pension and flexible working amongst other benefits.

If you are interested and would like to find out more about these opportunities, please contact HR on **0207 485 8177**. Alternatively an Application Form, Person Specification and Job Description is available from **www.thecamdensociety.co.uk**. Completed forms should be returned via e-mail to **recruitment@thecamdensociety.co.uk** or via post to The Camden Society, 60 Holmes Road, London, NW5 3AQ.

**Closing date – 18 October 2012**

*The Camden Society is an equal opportunities employer. We welcome and support applicants with disabilities.*

## VOLUNTEERS

UNIVERSITY OF OXFORD
Department of Psychiatry

**RESEARCH PROJECT ANTIDEPRESSANTS, EMOTIONS & PERSONALITY**

We are looking for healthy volunteers aged 18-40 to participate in a study investigating how antidepressants change the processing of emotions in people with different personality traits. The study involves receiving a 4 weeks treatment with a common antidepressant or placebo. You will be requested to:

- Fill in questionnaires once a week
- After 1 week, attend first testing session with computer-based tests
- After 4 weeks, attend second testing session with a brain scan.

To assess whether your personality profile matches our study objectives, please fill in the questionnaire that you can find following this link:

**http://tinyurl.com/researchproject-aep**

Then, we will contact you! For more info: please contact Caroline Figueroa (**caroline.figueroa@psych.ox.ac.uk**)
