Apprentices - Motor Vehicle, Wood Trades and Plumbing
 37 hours per week • \$96.10 per week
 Based at Blackbird Leys Campus, Oxford
 RESPECT • INNOVATE • INSPIRE

If you're keen to learn, good at working with your hands and ready to launch your career, this is an exciting opportunity to join our Apprenticeship programme. We'll give you full training, plus the chance to gain vocational qualifications. It all adds up to a great foundation for your future.
 Providing key support within our Motor Vehicle, Wood Trades and Plumbing departments, you'll make sure that our equipment and workshops are set up and ready for practical teaching sessions. You will also provide support to our teaching and learning team, to ensure the effective and smooth running of the department.
 Along with good communication and organisational skills, you should be the kind of person who takes real pride in a job well done. The ability to work well as part of a team is important too, plus a keen eye for detail.

ICT SUPPORT OFFICER
 Lady Margaret Hall
 £23k pro rata
 18.75 hrs/week

For this new, part-time, permanent role, we require an enthusiastic, customer-focused and experienced IT Officer to support our administrative, academic staff, and College members to help solve their end users' problems. The role holder will also assist the ICT Manager in keeping the College network and key systems running smoothly. Main duties include solving users' problems, providing advice and training, installing and configuring PCs and application software and carrying out office administration.
 The successful candidate will have at least two years' experience in a similar role and must have practical knowledge of desktop support for Windows XP, Vista, Windows 7 and Mac operating systems, as well as good knowledge of supporting common application software such as Microsoft Office. You will also have a working knowledge of networking principles and of troubleshooting network problems on both wired and wireless networks.

Whilst not a requirement, knowledge of the Oxford ICT systems; Windows servers and Active Directory; 3Com network equipment and VMware virtualisation would be an advantage.

The successful candidate will have proven problem solving ability, be self-motivated, have relevant commercial work experience, be able to work independently and have working knowledge of networking principles of both wired and wireless networks and experience of troubleshooting network problems.
 A full job description and list of the essential and desirable experience required to fulfil this role is available on the College's website at lmh.ox.ac.uk

To apply, please email your CV and a covering letter specifically explaining the relevance of your skills and experience to our eligibility criteria to marie.ruffell@lmh.ox.ac.uk. No agencies please.
