**PERSONAL ASSISTANT TO THE PROPRIETOR**

required at Daily Information to assist in the general running of the company. Must be prepared for all types of work, from using computers to gardening.  
How many years can you get to the following questions? (You don't have to have a full house.)  
1. Have you ever organised anything on your own initiative, apart from yourself? - president of JCR, founded a society etc?  
2. Can you do at least a 2:1 from Oxford University?  
3. Have you written legibly, spel & add up with reasonable accuracy?  
4. Do you ride a bike?  
5. Have you a driving licence?  
6. Do you want to remain in Oxford for at least a year, and if so, why?  
7. Are you a non-smoker?  
8. Do you mind being moved around from job to job wherever you might be thought to be needed?  
9. Are you used to email, websites, and MS Word?  
10. Are you interested in computers as a means to an end, rather than being fascinated by their intricacies?  
11. Have you ever put up a sound, good-looking shelf? Repaired a puncture? Changed a wheel? Do the family come to you when they want something practical doing?  
13. Are there any errors in this advertisement?  
Start at £12 000 pa plus perks, with £1000 pa rise after 6 months.  
Apply to: johnrose@dailyinfo.co.uk

**FILM REVIEW**

**SNATCH (18)** at the ABC, George St this week (dir: Guy Ritchie)  
Stop me if you've heard this one before: an 'onest to goodness luv-a-duck cockney wideboy gets in trouble with the local muscle over a botched gamble and has to come up with a foolproof plan sharpish. Everything goes pear-shaped and everybody except said cockney wideboy and his muckers get Benny-Hilled.  
Oh dear. Guy Ritchie's follow-up to *Lock, Stock and Two Smoking Barrels* is a shameful, painful rip-off. The fact that he is ripping off his own works no excuse; it simply serves to highlight that he is a one-hit wonder. Like Right Said Fred and Babylon Zoo, Ritchie has created a cultural curiosity and convinced himself it was the birth of a genre. Films such as *Love, Honour and Obey* have in turn convinced the filmgoing public that anything claiming to be a lovable and hilarious East-end gangster comedy will actually be about as lovable and hilarious as a hernia.  
Thankfully, on that count at least, *Snatch* does not disappoint. It is distasteful and largely unfunny with none of the manic energy, pace or wit of *Lock, Stock*. Jason Statham, who played Bacon in *Lock, Stock*, is all at sea in a lead role, with none of the ingenuous charm of Nick Moran. Stephen Graham cannot deadpan like Dexter Fletcher. Even Mike Reid pops up to dispel any illusions of big-screen credibility. Rather than recreating the excitement and humour of Ritchie's first feature, *Snatch* feels much more like an extended episode of the disastrous *Lock, Stock...* TV series.  
It is left to Vinnie Jones and Brad Pitt to add some class to proceedings. Jones recreates his original hard-man-for-hire character and never bores. Brad Pitt meanwhile, shows a group of British TV actors what it means to have genuine screen presence. His Irish Gypsy boxer (or "the fuckin' pikey" as he is referred to by everyone else in the film) is a fine, funny and honest performance, and he is the only actor to avoid playing the stereotype where it would have been easiest.  
So, if you were a huge fan of the first film and the resulting TV series, *Snatch* will provide the old familiar laugh and enough rhyming slang to keep you happy. However, like the rest of us, you thought *Lock, Stock* was great fun because it was really fresh and didn't take itself too seriously, don't bother. Despite fleeting moments of brightness, *Snatch* is a load of old April (April in Paris...aris... Aristotle... bottle...bottle and glass...oh don't worry about it).  
Harry Smith, 28.8.00
