WHAT IS DAILYINFO?
Daily Information has been running continuously in Oxford since 1964, when it was founded by a graduate student who realised the inter-collegiate need to publicise events at very short notice.
Today, as well as being a printed sheet displayed in over 400 public locations citywide, it is the busiest comprehensive web guide to Oxford. Featuring: local accommodation, jobs, services, sales, tuition offered & wanted, personals, entertainment & eating-out listings, reviews, a thriving discussion forum and information exchange ('Get Help For Anything') & much, much more. Upward of 4,000 individual visitors use the site every day. Daily Info is still run by its original founder (who has now finished his studies!)
This sheet displays just a fraction of the information you can find on www.dailyinfo.co.uk.
Do have a look!
