Senior Project Worker

(6 month fixed term contract). £18,738-£21,321 per annum pro rata

Response has been successfully providing housing and support in the community for adults with mental health needs for over 40 years. The organisation has excellent links with forensic services and a commitment to next step recovery and independence.

The role involves acting as key worker to a small number of service users in one of our innovative 24 hour high support units based in Littlemore. You will work with service users to identify their needs and aspirations and to develop plans to meet these focusing on recovery and move on. This is a senior role so previous experience and qualifications in mental health are essential.

Please note that all roles require a full CRB check.

Benefits at Response include excellent training and induction; 25 days holiday per year (pro rata), gym membership and pension

Please contact Sarah Roberts on 01865 397968 or email recruitment@response.org.uk for an application pack.

Closing date: 5pm on Thursday 24th May

NIVERSITY EVENTS OFFICE, UAS; 5-wee intern 4 days per week; £9.39 per hour; noon, 14 May; roberta. oneill@admin.ox.ac.uk

OISE YOUNG LEARNERS is recruiting for its Customer Care team. Applicants must speak French. Other languages are useful for this role including Spanish, German Italian and Russian. Work is available form mid June to 31 August. The rate is £8.50/hour. Please email CV to ylsrecruit@oise.com.

SUMMER JOB: IDEAL for students. For 6-8 weeks this summer to take great photos of our language students at various summer centres across the UK. An interest in photography is needed and a bit of visual flair is welcome Typical week is 4 days of photos + 1 day of office-based editing. Hours can be flexible over a 7 day week. Contact angela@oise.com

ASP.NET WEB APPLICATION Developer wanted. Oxford You will be given the freedom to guide projects the way you think they should be done and have the opportunity to prove yourself in a challenging but supportive environment Your primary role will be to work with clients to maintain and develop their custom web applications. You will have the opportunity to guide development and maintenance of both existing and new projects. You will need experience using ASP/NET, Microsoft SQL Server, Reporting Services and Javascript.
