**OXFORD HISTORY**

1. The Oxford Union is not to be confused with the Oxford University Students' Union, whose job it is to deal with sordid details such as accommodation, legal problems etc, and which is a relatively recent institution.  
2. The Union is essentially a debating society. One of the most notorious moments in its history was the "King and Country" debate of 1933. The motion was passed by 275 to 153, unleashing a torrent of abuse in the Press against the "Communists and perverts" of Oxford University - shown to be quite unwarranted a few years later when this same generation became embroiled in World War Two.

**FILM REVIEW**  
**Perfume de Violetas**  
'Perfume de Violetas' is a powerful new film from Mexico about two schoolgirls who find that their strong friendship is not enough to withstand the socio-economic barriers that keep them apart. Yessica (Ximena Ayala) is a troubled, rebellious girl living in a slum tenement which her mother can barely afford to rent. Miriam's mother, on the other hand, has managed to work her way out of the poverty trap, and lives in a nice apartment on the other side of town. Yessica is immediately drawn to Miriam at school, and the fact that both have lost their fathers serves to cement their friendship; but it soon becomes clear that theirs cannot be a relationship of equals, and with abuse, rape and theft thrown into the mix, a tragic conclusion of one sort or another becomes inevitable.

When 'Perfume de Violetas' was first released in Mexico, it had the additional title 'Nadie te Oye', or 'No-one is listening', and this is precisely what the film is about: a deplorable world where those who have money seal themselves off from the stench of others, and those who live in deprivation are neglected and disregarded. Yet the harrowing final scene of 'Perfume de Violetas' contains a stark warning: that the injustices of impoverishment will not, if ignored, simply go away, but will come back to haunt everyone.

Despite the limitations of its budget, this film takes on big issues with great integrity.
