OXFORD HISTORY

Tall Tales & Odd Dons

1. The truth or otherwise of these tales is not, alas, guaranteed, and something for which we can take no responsibility.  
2. The answer to what to do with one's cherry stones at All Souls has never been divulged. To gain entry as a Fellow is considered the height of academic achievement, and before one reaches the alleged cherry-stone stage, a terrifying academic ordeal has to be negotiated. The final paper is perhaps the most demanding: a single essay, to be written in three hours, with a one-word title.  
3. The sundial at Corpus seems to be particularly unfortunate when it comes to dons letting off steam. Even the mild mannered Keble is said to have hurled a bottle at it in a rage!
