them at Truck 2005, so I've probably realised this well

bands who've been on the road for years and are now filling stadiums. It's a rocking sound: powerful but tight; exuberant and swinging but with sweet harmonies (cf their tear-jerking classic Leave your Light On) in their place. It's country without the tweeness, and rock without the tiresome earnestness, and has a gorgeous twangy banjorich bounce that makes you want to get up and dance

Don't lug it through airports and stations. U.K. services available as well as foreign destinations. We can ship your personal effects back home at a fraction
