## JOBS OFFERED

**1b**  
Technical and Management Consultants  
Research Assistant  
London

An excellent opportunity exists for a resourceful, energetic and motivated person to assist in our London, Tower Bridge office on a wide variety of specialist advisory work.  
Babble is a technical and management consultancy with over 3,500 staff based in 40 offices. We are currently looking for a Research Assistant to join a wide range of specialist advisory work and often contentious technical projects. You will assist our Expert Services team in most aspects of work, from initial client research to planning and preparing complete report drafts of a high standard. You will assist with business development, building on existing relationships, and targeting and developing new contacts.  
You will have many varied practical and intellectual interests and at least a BA 2:1 in history, philosophy, English, law, classics or similar. You will enjoy assimilating new concepts and logical reasoning. Flexible about relocation to detail you will have an interest in law, an experience/advanced user of MS Word and a computer with Excel. Good organisational skills are essential.  
To apply for this position or find out more please visit our website [www.babble.com](http://www.babble.com) quoting reference 464.
