Each study will require several short visits to our outpatient clinic over 4-12 months. A response to this advertisement will be recorded, but carries no obligation to take part.

Oxford Health NHS
NHS Foundation Trust
Volunteers Needed for Schizophrenia Research Study
The Clinical Research Unit, Warneford Hospital, Oxford, is taking part in a research study of an investigational drug for adults with schizophrenia.
If you or someone you know is doing well on current medication for schizophrenia but are still having issues with attention, memory, thinking and problem solving, you may qualify.
This study is for individuals at least 20 years of age who have been diagnosed with schizophrenia for at least two years. To qualify you/they must be taking an antipsychotic medication and will continue to take the current antipsychotic medication while taking part in this study.
Insurance is not necessary to participate and transportation service or travel reimbursement may be available.
For more information, contact: Jennifer Lawson, Study Coordinator, tel: 01865 738713, email: research@oxfordhealth.nhs.uk.

Malaria Challenge Study
Volunteers Wanted
Aged 18-45, in good health and never had malaria?
You could be eligible to take part in our study testing the effectiveness of new malaria vaccines.
You will be compensated for your time and expenses.
For more information on the study, contact: 01865 857406
