STUDIES. Two to three million people in tropical areas (including travellers to these) die each year of malaria and there is currently no vaccine available. New vaccines against this disease have recently been developed in Oxford and elsewhere. Would you be willing to assist with studies of these vaccines that are currently in progress at the Churchill and John Radcliffe hospitals? We are seeking healthy volunteers, aged 18-50 years, who have not had malaria previously. If you might be able to help by volunteering please contact the Malaria Vaccine Trial Group: Telephone:01865 857 401(answer phone) E-mail:malaria@well.ox.ac.uk. We will provide reimbursement to you for your participation, including allowances for time spent on the study and travelling expenses.
