St Paul's Nursery

Somerville College, University of Oxford
Nursery Manager
 Salary £26,272 (37.5 hours per week)

If you are passionate about working in childcare, have a strong team ethic, and would like to manage our delightful small setting within the heart of Jericho, Oxford, then we want to hear from you.

Our on-site Nursery provides an inclusive, nurturing, and stimulating environment offering a total of 16 places from the ages of 0-5 years. The opening hours are 9am to 5pm, Monday to Friday.

Due to St Paul's location, children in our care also benefit from the many resources nearby, in particular the beautiful College grounds and the nearby University Parks which offer a stimulating and exciting learning environment for short outings for the children.

Although previous experience as a Nursery Manager is desirable, an experienced Deputy who is able to fulfil the essential selection criteria and who is interested in a promotion to this exciting and rewarding role would also be considered. The successful applicant must have a coherent knowledge of the Early Years Foundation Scheme and OFSTED requirements, and be qualified to NVQ 3 in Childcare (or equivalent). The successful candidate will also be required to complete an enhanced CRB Disclosure.

For further information and details of how to apply please visit www.some.ox.ac.uk/jobs

Bellerbys College

PREPARATION FOR UNIVERSITY EDUCATION

"The good quality of teaching and culture of high expectation ensure students make good progress" *Ofsted*

Head of Science

To lead our growing Science Department. The successful applicant will be enthusiastic and have experience of teaching A Level Biology or Chemistry and GCSE Science. Previous teaching experience in a Science Department essential. Some measure of responsibility would be an advantage.

Economics Teacher

To teach A Level and our own university preparation Foundation programme. Ability to teach another business subject an advantage.

Laboratory Technician

Must be organized and able to work under pressure. Previous experience desirable but not essential. Approximately 25 hours a week but negotiable.

In return we offer good salary, opportunities for development, an excellent work environment and a company pension scheme. For an application form for the above post contact Helen MacNeaney at HMMacNeaney@studymgroup.com

The closing date is 11th March, 2012.

Committed to safeguarding and promoting the welfare of students. The appointment will be subject to satisfactory references and an enhanced CRB check.

Take a look at www.bellerbys.com to see what we do.

Bellerbys College

PREPARATION FOR UNIVERSITY EDUCATION

"The good quality of teaching and culture of high expectation ensure students make good progress" *Ofsted*

Head of Science

To lead our growing Science Department. The successful applicant will be enthusiastic and have experience of teaching A Level Biology or Chemistry and GCSE Science. Previous teaching experience in a Science Department essential. Some measure of responsibility would be an advantage.

Economics Teacher

To teach A Level and our own university preparation Foundation programme. Ability to teach another business subject an advantage.

Laboratory Technician

Must be organized and able to work under pressure. Previous experience desirable but not essential. Approximately 25 hours a week but negotiable.

In return we offer good salary, opportunities for development, an excellent work environment and a company pension scheme. For an application form for the above post contact Helen MacNeaney at HMMacNeaney@studymgroup.com

The closing date is 11th March, 2012.

Committed to safeguarding and promoting the welfare of students. The appointment will be subject to satisfactory references and an enhanced CRB check.

Take a look at www.bellerbys.com to see what we do.

We are looking for a: Temporary Laboratory Assistant

To perform aliquotting duties and labeling within our antibody manufacturing laboratory along with other support tasks. The successful applicant will have experience of liquid dispensing and the use of manual and electronic pipettes. Good numeracy and an understanding of mathematics to GCSE level would be desirable.

A 'can do' attitude is a must as is the ability to work meticulously and methodically adhering to written ISO procedures. Candidates should have competent computer skills including basic use of Excel.

Full training will be given. Salary upon application.

Role commences initially for 3 months with possibility to extend.

The working hours are 37.5 hours per week Monday - Friday. The job will be based within our Kidlington laboratory.

To apply please send your CV and covering letter to careers@abdserotec.com or visit www.abdserotec.com for further information.

THE QUEEN'S COLLEGE, OXFORD

Trainee chef required

Experience unnecessary, as training given including day-release at College. Interest and enthusiasm essential.
