 Pizza chefs remuneration includes an equal share of gratuities & staff discount card.
 Please call in and speak with the manager or email recruitment@cafecocogroup.com

CINEMA REVIEW
The Girl Who Kicked the Hornet's Nest [15]
 Currently showing at the Phoenix Picturehouse, on Walton Street, in Jericho
 This is obviously the season for final(ish) instalments of epic and long-running series. While Harry Potter and co. have been at it longer, they don't have the monopoly: Stieg Larsson's third in his Millennium trilogy *The Girl Who Kicked the Hornet's Nest* (original Swedish: *The Air Castle That Was Blown Up*) has finally hit the Big Screen in the UK. Larsson aficionados unite in glorious celebration. And, of course, if Larsson hadn't met an early demise worthy of one of his own conspiracy theories, he'd have out-pottered Potter, too.
 I immediately hot-footed it to the Phoenix, where my fellow Larssonist and I prepared to gorge ourselves on the latest instalment of everybody's favourite Scandinavian page-and-stomach turner. We weren't disappointed. The plot was shortened, the character relationships hideously underdeveloped, but this was a film! Two meagre hours to fill an entire Larsson book? Fools, they, who ever attempted it. But they did, and it is good.

It feels ruthless. The plot takes short cuts like the Swedish Police late for a funeral. Characters have disappeared (where is the battery charger?) and whole elements have been thrown onto the scrapheap of time. There is no time to ponder to your book-reading emotions. No, you must watch the film, and be happy. OR THEY WILL PUSH YOU DOWN THE WELL.
 It is right. It is how a Salander story should be. I will, I fear, go to see the Hollywood adaptation when it arrives. If only because I have to. Morbid curiosity reigns supreme in this. But most of all, more than any feelings of plot-battery or character-curtailed, I came out with an overriding desire to read the book again. All of them. They are marvellous, and you should go to see the film just to remind yourself of quite how good they are.
 If you haven't read the books, do so, quickly. You will need about a week, by which time the film will still be on (just).
 Because if you haven't read the book, you don't know about the ending...
 - Patrick Vale

GfK
GfK MYSTERY SHOPPING PROJECT COMPLETION MANAGER
 Part of one of the world's biggest research agencies, GfK Mystery Shopping is looking for an experienced Team Manager to ensure all work is completed on time and within budget. Your prime objective will be to manage and motivate this team to ensure that all work is finished - without fail.
 The successful candidate will be self-motivated, proactive, deadline driven with zero tolerance for failure and have the ability to be a professional role model for other team members. Excellent IT, scheduling and time management skills are a requirement for the role and a proven team management track record is desirable (Call Centre preferable).
 The position will require flexible hours including evenings and weekends to ensure that deadlines are met.
 Salary Range £20,000 - £24,000
 Please email your CV and covering letter to: David.Quelch,david.uelch@gfk.com
 Closing date: 10th December 2010.

OXFORD UNIVERSITY PRESS
 Working in partnership with:
CHAMPION TECHNICAL
Data Inputters and Testers
£7.00 p/h, 3-6 Months:
 Oxford University Press is looking to recruit a team of temporary Data Inputters and Software Testers for an ongoing, full time, temporary contract.
 As a Data Inputter and Software Tester you will be inputting data into a bespoke system, testing software releases, logging issues into their bug-tracking system and fixing issues.
 Ideally the successful candidates will have knowledge of XML, Microsoft Office (mainly Excel) and have an understanding of the Software Development lifecycle in particular Software Testing. Previous Software Testing experience is highly desirable.
 For more information and to apply, please contact Lee Cherrill or Zac Brindle at Champion Technical on 01865 264052 or email your CV to it@champion.co.uk
 Champion Technical operating as an Employment Business.
